PROFESSIONAL SUMMARY

Senior Product Designer with 11+ years of experience designing SaaS, web, and mobile products across B2B and B2C environments. Experienced in end-to-end product design, UX strategy, user flows, wireframing, prototyping, interaction design, design systems, accessibility, and design QA. Strong cross-functional collaborator with Product Managers and engineers, translating complex business and user needs into intuitive, scalable digital experiences.

CORE SKILLS & TOOLS

- **Design & Strategy:** User-Centred Design, Wireframing, Prototyping, User Flows, Journey Mapping, Information Architecture, Responsive & Mobile-First Design, Performance & Usability Optimization.
- **Design Systems & Quality:** Design Systems, Component Libraries, Accessibility (WCAG Standards), Design QA, Responsive UI, Visual Consistency.
- **Technical & Methods:** Frontend Awareness (HTML, CSS, PHP), Agile/Scrum Methodologies, Cross-Functional Developer Handoff.
- **Tools:** Figma, Balsamiq, Adobe Photoshop, Adobe Illustrator, WordPress.

EXPERIENCE

Senior UX/UI Designer | **StreetText** — Kelowna, BC, Canada | Jan 2022 – Aug 2024

- **Design System and style guide:** Scaled and maintained StreetText's visual identity and brand consistency by engineering a comprehensive, fully customized system style guide.
- **Prototyping & Validation:** Designed low-to-high fidelity user flows and clickable prototypes, accelerating stakeholder validation and saving development time by 30+%.
- **Accessibility Compliance:** Directed design QA and enforced strict **WCAG Accessibility Standards** on interactive components across web, desktop, and mobile viewport sizes alongside with Usability Testing to ensure best quality.
- **Product Strategy:** Delivered User-Centered visual solutions with optimal User Research and Discovery, directly aligning user experience metrics with business goals.
- **Customer Acquisition:** Boosted product conversion by 60%

Freelance & Personal Product Design | Kelowna, BC, Canada | Aug 2024 – Present

- Focused on freelance design projects and personal product development, applying UX/UI and product design skills to real-world digital products.
- Designed and developed product concepts from early ideas through user flows, wireframes,

prototypes, and polished UI experiences.

UX/UI designer then Design Team Lead | **Pentavalue** — Egypt | Oct 2016 – Dec 2021

- **Team Leadership:** Led a high-performing UX/UI design team of 5 through complex product lifecycles, collaborating closely with Product Managers, engineers, and executive stakeholders from concept to launch.
- **Product Execution:** Directed user experience design for high-traffic web platforms and large-scale **B2B and B2C** software products, continuously optimizing workflows for target business KPIs.
- **Organic Strategy:** Implemented organic **SEO** best practices and responsive structural layouts across web application frontends to enhance discoverability and search traffic visibility.

Web Designer | **Mo4 Network** — Egypt | Oct 2011 – Oct 2016

- **Responsive Engineering:** Engineered responsive web application frontends featuring cross-browser compatibility, prioritizing fast page-load performance and crisp user navigation.
- **Visual Asset Creation:** Produced localized digital marketing visual identities, responsive UI assets, and commercial campaign graphics to drive consumer brand recognition.
- **CMS Implementation:** Architected, configured, and custom-coded production-ready web deployments leveraging PHP frameworks and specialized WordPress infrastructures.

EDUCATION & CONTINUOUS LEARNING

- **Bachelor of Science in Computer Science** | **Cairo University**, Egypt (2006 – 2010)
- **Professional Certificates:**
 - Perception and Memory in HCI and UX | Interaction Design Foundation (IxDF)
 - AI for Designers | Interaction Design Foundation (IxDF)
 - Graphics Diploma (Adobe creative suite) | the Russian Cultural Center | Egypt
- **Professional Course:** English as an Additional Language (EAL) for Work-Life Success | University of British Columbia (UBC), Canada (Sept 2023 – Jul 2024)
